

NICKLE DICKLE DAY ROTARY RACES

Waconia/West Carver

Saturday, September 16th

Nickle Dickle Day is the premiere local event attracting nearly 25,000 people to the Waconia community. Sponsorship of the Rotary Races is your chance to have your business showcased with the event and promoted to families attending the races.

With each sponsorship, you will receive a Corporate Duck to be used throughout the day by children and their parents during the races. You can decorate your duck with your company logo and make it as wild and crazy as you like. [Please note: your duck will be floating in water. It will get wet and needs to float upright, so decorate accordingly!](#) Plus, you can display your duck at your place of business before and after the event to show your support of the community.
