

# Rotary Club of Castro Valley

## Meeting Highlights – September 19, 2017

### Speaker of the Day

Michael Moody, Senior Vice President of Partnerships, Affiliations, and Integration at John Muir Health

provide an overview of John Muir Health

(<https://www.johnmuirhealth.com/>) from its founding to the present. John Muir Hospital began operating in 1965 as a Community Hospital. In 1997, the hospital merged with the Concord Community Hospital and in recent years, the hospital has formed partnerships with Stanford Children Hospital (2012) and UCSF (2015). In 2017, it is now operating as a community-based, not-for-profit hospital.

John Muir Health now consists of three (3) hospitals, a Behavioral Health Center, and a network of 1000 physicians providing a full range of medical services. John Muir Health is a highly acclaimed, recognized leader in all specialties, has been recognized for its services, and has won many awards. The John Muir hospital system has over 1,000 beds and in the past year, has served more than 57,000 primary and urgent care patients, 13,000 emergency care patients, and has seen the birth of over 3,000 babies. John Muir is the only Trauma Care Center in Contra Costa County. The Hospital system has approximately 6,700 employees, 1,200 physicians, and 1,600 volunteers.

The hospital system has an A+ Credit Rating from S & P and Moody's and has contributed Over \$121M to the community in the form of service benefits. The system is considered a leader in health online through its MyJohnMuirHealth.com as the patient portal and online scheduling. The e-visit site is open from 8:00 a.m. to 8:00

p.m. with a response time of one hour making it very easy to find a doctor 24/7.

John Muir Health has collaborated with many area hospitals to form Canopy Health (<https://www.westernhealth.com/mywha/>) to strengthened and further diversify services while address the cost and accessibility of health services. Mr. Moody's PowerPoint presentation will be emailed to Club members later.
