

# Castro Valley High School Career & Technical Education Summer Internships 2020

- 4-6 week internships, 16-20 hours a week depending on host flexibility (timeframe June 1-July 31). Most folks opt for 4 weeks.
- Eden Area ROP covers liability insurance for participating students.
- These are **non-paid** internships for high school credit & work experience.
- Teacher will check in on students and speak to hosts on site to ensure they are on task and complying with your expectations.
- Students are prepared in soft/professional skills and ready to work on day 1; we vet for the best candidates to place at our partner sites.
- Internship hosts can interview students to ensure they are the best candidates for the position.
- At the end of the summer, CVHS will host an internship showcase where students discuss what they learned and the value they took from the experience. We invite all our internship hosts to this event.
- Help us develop our future workforce together, contribute towards community outreach for your business, and give our students the opportunity to use their skills at your workplace.

CVHS Career Pathways include:

- **Auto Tech**
- **Culinary/Food Science**
- **Engineering**
- **Graphic Design/Photography**
- **Health & Biotech (HABIT)**
- **Information & Communication Technologies (ICT)**
- **Marketing/Business**
