### BACK-TO-SCHOOL "CHILD SPREE"

*President A.T. Stephens helps a youth select new shoes during the Hayward Rotary Club's Back-to-School "Child Spree" shopping event. On August 19, 2017 Hayward Rotarians helped 100 kids get the gear they need for school. This was the event's 14th year, generously hosted by JCPenney Southland Mall. Children were identified by Hayward PD Youth and Family Services Bureau. Children got to pick out new clothes, shoes, jackets and other essential gear. They also received a new backpack filled with school supplies. Friends of Hayward Library donated brand new books for reading and fun. A signature Hayward Rotary Club service project.*

In addition to completing his term as Rotary Club President, **A.T.** recently announced his retirement from HAHS effective in June 2018. His contributions to the Hayward community were significant and lasting, and he will be missed. Congratulations, **A.T.!**

### HORSING AROUND

*Hayward Rotary Club has a long history of horsing around. This 1930 photograph shows Hayward Rotarians posing in front of a horse-drawn streetcar on Castro Street (now Mission Blvd). The historic City Hall building in the background was newly built that same year. The horse-drawn streetcar was from the line that once traveled down the center of B Street from the train station at present day B Street and Meekland Avenue, through downtown Hayward with a spur to the Hayward's Hotel on A and Main Streets, then into the neighborhoods of upper B Street and back again.*
