The demotion of Niel Carew during the last week of June saw the past-president sitting in a bathtub, with a sailor hat on and little else. His career as a Little League coach, a sailboat enthusiast and community leader in "Happiness is a Clean Hayward," and in preparing for the upcoming Centennial Year was retold and dented.

Carl Ekoos led a local tour group to Scandinavia. Peg and Don Harder were in the group. The club elected old-timers, Hugo Frank, Nels Clemens, Harry Bradford and piano-player, Jack Fledderman, Honorary Members of the Club.

New members during the term of "Doc" Wright included Don Janowski, Clyde Brown, Leo Perry, Milton Murdock, Brent Tucker, Bill Clark, Dr. Dave Davis, Maury Castle and Joe Miller.

Ray Burr announced the cost of the Rotary International trip to Lausanne, Switzerland, would cost \$228. Eight members signed up to make the trip.

The Club Assembly was held at "Red" Abrott's home on Russel Way, with District Governor Halsey Burke in attendance. Jerry Fry, Eddie Friedrichs, Alden Oliver, Lou Santucci, and Howard Long were the chefs. Sal Williams and Dave Dubois were bartenders.

Men's Recreation Club Night was celebrated in the fall at Don Harder's home. Joe Perez was elected President of Hayward Area Historical Society. Former member, Charles Froelich, died in Fullerton.

Bill Webb went off to Hong Kong to join the Friedrichs and Frys on a cruise around the world. Bill and Roberta Wilson came back from their trip to the Holy Land. Leroy Martin moved his office to "A" Street where he shares offices with past city engineer, John Mancini.

The Children's Handicap Picnic was held at Hannibal Jordan's foothill ranch and lake. Forrest Shackley spoke to the club on his successful vitamin supplement company.

Dr. Dave Davis and Joe Miller piloted a private plane to a Vacaville Rotary inter-city luncheon. With them as passengers were Milt Murdock, Steve Rubiolo, Harold Haycock and Howard Long.

President Wayne Wright offered \$10 to the club for every 100% attendance meeting. The club collected \$5 per member to send to earthquake victims in Managua, Nicaragua; clothing was also collected for the diaster victims. A total of \$2,506 was netted from ads in rodeo programs.

Brent Tucker joined the club. Past-President George Johnson died on June 18th, 1973. The usual annual luncheon was held at the Sear's cafeteria, guest of Ernie Townsend. At the Sweetheart Luncheon, there was a "fashion show" with models "Hot Lips" Perez, "Legs" Maisel, "Pussy" Murdock, "Red-hot" Townsend and "Bubbles" Sorensen.

When Wayne was elected, a wit in the club remarked, "Now Hayward Rotary will be on the Wright track!" He brought a keen sense of humor to the club podium and conducted his meetings with an airiness and grace which encouraged great fellowship. He was not above providing a "stunt" to surprise the members at the meeting, and the year goes down as "fun term," with many new members and high accomplishments.

One of the most rewarding yearly projects of the Hayward Rotary Club is being host at Bud Jordan's ranch to a group of Handicapped Children. The day is devoted to fishing, horseback riding, picnicking and good fellowship. Dr. William Shriner and Bud Jordan can be recognized in the foreground.
