The ACT II slide show depicts the musical life of IRIS CHORALE and her rise to stardom from her first song hit, "Where Did My Little Rubber Duckie Go?"...

ACT II

This fabulous act chronicles the fabulous experiences of an equally fabulous outgoing (from office that is) lady president as she weaves her weary way through the successes and failures of life on the wicked stage. *Our star-studded cast, straight from an intense 15 minute rehearsal, will take you behind the sometimes steamy scenes showing some sordid success on the serious stage.* Their fabulous song and dance numbers portray the highs and lows of Iris Chorale (her stage name) as she attempts to lead an unruly group of raucous, rambunctious and ruefully righteous Rotarians. Look for a fabulous cameo appearance by District 5170 Governor Arlene Greenberg. Her assignment is to make sure our sterling still sober starlette is "out of here" tonight! Be prepared for an eventful evening of ebullient entertainment!

Napping is permitted.
