PAT BURT

Pat's family history includes deep ties to the military & to sports. His father was a coach & his mother a teacher while raising 5 children in Sunnyvale. Pat met his wife in Santa Barbara repeating history of where his parents met. Early memories include the wonderful odors of the Gilroy area, selling peanuts at Stanford Stadium & working

at the Co-Op Markets. One year of traveling in Europe expanded his horizons & he remains close to his heritage by representing the 4th generation to live in his family home. Pat has & continues to serve his community by his efforts for neighborhood groups, the Planning Commission & is currently running for City Council.

LINDSEY NORTH

Lindsey has made the transition from software engineer to non-profit organization grant writer. She is deeply committed to serving her community & the world through efforts with the Foundation for Global Community & the El Camino Hospital RotaCare Clinic. Lindsey has learned great lessons about taking charge of your life & pursuing your values.

She has learned those close to you want to protect you which may, in fact, limit your motivation to reach for your dreams. Her advice, "don't tell them about your plans". Lindsey's philosophy is to live life, be committed & to have fun.
