President-elect **KAREN ROHDE** welcomed us all. Amy Wright, VP of Philanthropy for LifeMoves, offered a brief update on the growth of homelessness and gave her appreciation to Rotary on behalf of our project.

This Hands On Project on Monday's MLK, Jr. Day of Service was attended by 20 Rotarians. With the guidance of LifeMoves, we purchased and filled 100 backpacks with warm blankets, gloves, socks, and other helpful items for people who find themselves in need. LifeMoves is a non-profit organization dedicated to breaking the cycle of homelessness throughout the Bay Area. Our thanks to **MATT DOLAN** for allowing us to use Homewood Suites for this event, and to **BRUCE GEE**, for delivery of the goods. Photos by **REBECCA GERALDI, GINNY LEAR**.
