CELEBRATING OUR CLUB'S 100th YEAR

Chartered: May 1, 1922

## **ROTARY CLUB OF PALO ALTO "CASH"ES OUT!**

On June 27, 2022, over 80 people gathered in the balmy California evening at Michael's Shoreline Restaurant to

toast and roast
outgoing President
KHASHAYAR (CASH)
ALAEE, whose
leadership year was
marked by
record-breaking
fundraising for our
local charities, and the
precedent-setting
implementation of
hybrid weekly

meetings.

Entertainment for the evening began during cocktails, when guests were treated to a cycling slide show that alternated photos

of members in action with quotes reflecting the appreciation Cash garnered from members. Cash was commended for his

"outgoing and friendly personality," for being "honest, forthright, and transparent," and for being "an exceptional listener, patient and comfortable with public speaking, and an effective communicator."

During dinner, guests tackled a crossword puzzle testing everyone's knowledge about Cash. If only we had known he moonlighted as a masseuse massage therapist!

ELIZABETH SANTANA sang "Welcome to Rotary" to launch the formal program. BEN
THRELKELD graciously acknowledged Cash's lovable traits – he was not afraid to think big, is always optimistic, is a wicked hard worker, and works very efficiently.

And then the roasting began. "He Works Hard for the Money" featured

- MCs- EJ HONG and PATTY MCGUIGAN
- Cheerleaders- BRUCE GEE, DANA TOM,
   JON STOUMEN, JOOP VERBAKEN
- Massage patient- STEVE PLAYER and Nurse- REBECCA GERALDI
- Mayor- HERSH DAVIS
- Student- **STEVE EMSLIE**
- Background Singer- ELIZABETH SANTANA

A true performer, **BRUCE GEE** even shaved his legs for his role as cheerleader! (Though we did

not put him to the 4-Way test on this claim.)

Former Mayor **TOM DUBOIS** presented Cash with a proclamation from the city, and a clearly touched Cash expressed his appreciation for the proclamation, and he thanked by name many of those who had helped him during the year. His final act was to pass on to Incoming President **KAREN ROHDE** the Bob Bulmore Historic Hawaiian Shirt to hang in her closet for a year. With a rousing, if off-key in some parts of the room, round of singing led by **LE LEVY**, and closing remarks from **BEN THRELKELD**, **CASH ALAEE** was declared officially debunked.
