We're excited to announce the renovation and beautification of the Souderton Community Park. A project of this scope needs support from both private citizens and the business community, and we know that many of you would like to be a part of it. This Benefit Auction will provide an opportunity to support the project in addition to the programs that are changing lives through Rotary.

Community Park*  
**RENOVATION**

There will be a means to support specific programs at the event. Undesignated monies raised will be used to support both the Souderton Community Park project and the regional and international programs supported by Souderton-Telford Rotary.

The items up for auction will be posted online prior to the event. To request a hard copy of the book prior to the event, call 267.281.4385.
