ROTARY SPEAKEASY
Not all doors lead to good times — some lead to trouble. If you dare try your luck at the ballroom’s member’s entrance you just might find yourself face-to-face with one of Al Capone’s bodyguards. And trust us — he’s not known for his hospitality.
For safe passage, use the Banquet Entrance. Knock twice, lean in close, and whisper the phrase: **“Chicken and waffles, please.”** That’s your ticket to the secret scene behind the velvet curtain — music, good company, and maybe a little mischief.

MINUTE-TO-WIN-IT SHOWDOWN!
Get ready for high-energy fun as we bring *Minute-To-Win-It* games to the center stage of our fundraiser event! Here’s how it works:

Random Table Selection: Throughout the event, table groups will be randomly selected to compete head-to-head in one of four hilarious and fast-paced *Minute-To-Win-It* challenges.

The Buy-Out Option: Not feeling up to the challenge? No problem! Selected tables can opt out of participating by paying a \$500 buy-out fee — a great way to support Rotary while avoiding the spotlight!

Audience Participation: Even if you’re not competing, you’re still part of the action! Before each game, audience members can vote for the team they think will win by **casting a ticket**.

Winning Ticket Draw: Once the game ends, all tickets cast for the winning team will go into a draw. One lucky voter will be chosen to win a **\$50 cash prize!** So choose your champion wisely!

Four Chances to Win: There will be a total of four *Minute-To-Win-It* games throughout the event — four chances to cheer, vote, and win!

Join us for laughter, competition, and a great cause. Whether you’re playing or voting, everyone has a shot at winning!
