

### **Mountain Area Imagination Library**

The Mountain Area Imagination Library is sponsored and funded by the Rotary Clubs of Evergreen, Conifer, Mountain Foothills, Peak to Peak and Clear Creek 2000. Imagination Library provides the gift of literacy for children from birth to age five through its book gifting program. Our literacy project helps support parents and communities in fostering a child's future success in school and inspiring children to love books and reading. This Rotary literacy project serves children and their families who live in our covered mountain zip code areas. Please visit [www.imaginationlibrary.com](http://www.imaginationlibrary.com) to learn more about this early literacy program.

Please consider becoming a sponsor of the Mountain Area Imagination Library program. Your donation to the Mountain Area Imagination Library program is 100% tax deductible. Donations should be made payable to the **Evergreen Rotary Foundation** with *"Imagination Library"* in the memo line. Mail to: Rotary Imagination Library, PO Box 4143, Evergreen, CO 80437. Any donation amount will help us continue to offer this program to more children in our community.
