Dear Kathy, the Boulder Valley Board and fellow Rotarians,

It is with great pleasure that I recommend Margot Crowe for membership in our club. I have known Margot as a neighbor and friend for many years and can attest to her sterling character. She will have no trouble with the 4 way test!

Margot is a go getter who sits on the Shakespeare and Colorado Music Festival boards. She is a gracious hostess who has put on many fundraising events for these and many other groups. For many years Margot has mentored students through the adopt a student program with the CU college of Music. To help recent graduates get ready for professional auditions she founded "The Fine Tuned Society" and hosts concerts and salons in her lovely home every month. In her spare time she teaches English as a second language and serves as the Secretary for the University's retired faculty group.

Margot's skill at effortless organization will be an asset to our club and would be a natural fit for fundraising or club service. Yet.. she is world traveler who has journeyed alone in China and Pakistan (thus leading to her nickname of Mrs. Pollifax) and she could bring an interesting perspective to International Service. No matter how she chooses to participate I'm sure the club members will enjoy her and I urge you to invite her to join us.

Sincerely yours,

Marylee Zurick
