

Tuesdays from noon-1:30pm at the  
Glenmoor Country Club | 110 Glenmoor Dr, Englewood, CO 80113

## LOCAL PROJECTS

### Book Trust

Each year, our club partners with BookTrust to provide approximately 100 Samuel's Elementary students with books. We give all second-grade students the opportunity to choose and purchase their own books. Each student has a budget of \$7/month to spend on a book to take home. The program also allows teachers to choose a book for the entire class as well.

### Peaceful Schools

Our club members began contributing to Peaceful Schools a couple of years ago by working closely with Thomas Jefferson High School (TJHS) students and teachers from Samuel's and Bradley Elementary schools. We create and provide an anti-bullying lesson plan to TJHS students, who then teach the lesson to kindergarten classes.

### Food Pantry

Our members purchase and provide food to TJHS on various occasions throughout the school year. Food is purchased from the Food Bank of the Rockies, then delivered to TJHS, where it is provided to families in need. We have the opportunity to volunteer alongside TJHS students at the Food Bank in order to earn credits and provide more food.

### Project C.U.R.E.

Our members sort and pack medical supplies that have been donated from local hospitals, which are then shipped to third-world countries who are lacking in these supplies. Project C.U.R.E. was started in Colorado and has since expanded across the nation to many large shipping hubs.
