

Tuesdays from noon-1:30pm at the
Glenmoor Country Club | 110 Glenmoor Dr, Englewood, CO 80113

SPONSORSHIP

Medical Equipment Loan Closet

The South Metro Medical Equipment Loan Closet takes donations of new or used medical equipment that can be loaned out to folks who cannot afford it otherwise. This includes anything from wheelchairs and crutches to portable oxygen tank bags to rehabilitation and exercise equipment.

Sally Shuler Scholarship

Every year our club provides fund to the Sally Shuler Scholarship fund, which provides financial support to local Thomas Jefferson High School students. The students chosen for the Sally Shuler Scholarship exhibit strong values through extra-curricular activity, difficult-to-balance work schedules, athletic participation, and all-around genuine, kind, and caring personalities.

Little Free Libraries

Little Free Libraries (LFL) is a book-exchange program spanning all across the globe. Community members post book mailboxes in their yards, at schools, etc., which affords under-privileged children and adults the opportunity to read – a right everyone should have. Folks are free to take or leave a book.

The Laundry Truck

We help fund Bayaud Enterprise's Laundry Truck project. This project began in 2016, when Bayaud, a paper-shredding company, retired one of their commercial trucks. Rather than selling, they repurposed the truck as a mobile laundry unit for homeless folks. .
