Denver Mile High Rotary where commitment and service rise above the mountain tops

## President's Column:

This week marks the beginning of August which is "Back to School" season. In a few short weeks the Denver schools will begin the new year. As you know, some of our clubs primary service projects are focused on local schools and education. Please consider how you can get involved. The sign up sheet for our Friday morning food bag program at Harrington Elementary is now available online. The first week of the program will be August 28th. We finished the **Food for Thought** program at Harrington on a strong note last spring and hopefully we can pick up where we left off!

The other major school oriented program that we are committed to is our Club sponsored Interact Club at CEC High School. There are plenty of ways to get involved with this great group of kids and it would be really wonderful to give them a strong show of support early in their year.

Lots of other fun activities to get involved in over the next few months. We have several mini-dinners coming up. Tickets are still available for

the Rockies game on the 21st.

We will be ramping up our Fall activities very quickly. Plans are already in the works for the Villa Park 9 Health

Fair and the Area 1 assembly, both of which will happen in October. The bottom line is that the Club is

committed to finding activities for everyone to get involved in! If you don't see

something that works for you, please tell us what you would like to do and we will try to make it happen.

Rotary is a participation sport and we hope to get everyone in the game!

Hope to see everyone on Wednesday,

Bob.

# ADVENTURE FOR GOOD

COLORADO, IT'S TIME TO SHOW THE WORLD WHAT WE'RE MADE OF.

Early in the morning on August 8, 2015, while the world is sleeping, we'll be lacing up our hiking boots. We'll strap up, gear up, and hit the trails. Together we will be ascending peaks across the state, attempting to summit all 54 of Colorado's Fourteeners in one day - with the goal of raising money to help end water poverty for fifteen communities in Nicaragua.

If you're an adventure-loving human who craves the crisp alpine air in your lungs, thrives in active community, and strives to have a positive impact in the world,

we want you. *Join us at [co54.org](http://co54.org).*
