Dear amazing Rotarians,

7 May 2023

This year is going by much too quickly for me, and maybe coming much too quickly for Marty, our President Elect!

If you missed the Dance Party this past Saturday, you missed the fun! Rotarians can really "cut the rug" and "trip the light fantastic"... so many incredible dancers! A huge thank you to Tom Cella and Mary Hall for organizing this profitable event, for bringing great snacks, for lining up a DJ, and for being responsible for so many friends, family and neighbors attending. You two ROCK! I cannot wait for the next dance party!

For information on hearing a wonderful Ukrainian vocal group performing in our area on May 13th, [please click here](#).

We have a **June off-site meeting**, which will take place on Thursday, June 8th from 4-6pm at the CSU Spur Hydro Building (part of the old stock yards). The Backyard and the Denver Water Laboratory are opening at the CSU Spur and we will be one of the first groups to visit and tour them. Please watch the newsletter for details and location. *This means that on Wednesday, June 7th, we will be DARK...don't come to the U Club that morning, instead we will see you at the CSU Spur event the very next day.*

See you Wednesday at the U Club to hear all about Butterfly Pollinators from the Butterfly Pavilion experts.

Hugs.

News of interest

This year, the CEC Interactors taught BrainWise lessons *in person* to 173 students in grades 1-8 at Kaiser Elementary in Denver and SHJ in Boulder.

They will teach lessons *on ZOOM* to an additional 15 middle school students participating in the Las Vegas Police Activities League (PAL) Boxing program on May 18th.

Photo is from the activities in Boulder and SHJ.

Pictured are Debra Flick, Sharon Cella, and Pat Gorman Barry with Noemi, Andrea, Bryanna, Xitlali, and Gabby. Xitlali is our scholarship award-ee and Stanford-bound. The other young women will be junior and seniors next year.

They are rock stars!
