Hello, all. I hope you are having a great week. This week, I will be travelling on Wednesday so the wonderful Melanie will be your standing president for the day. If you have any gripes that you want addressed please speak to Wednesday's president! Thanks to those of you who attended the meeting last Wednesday. Due to yours truly blabbing over time, we pushed it to the very end of the meeting. But I would love to address any observations or questions any of you may have regarding the content. Feel free to ping me via cell phone, email, carrier pigeon, whatever method you find best. I will endeavor to get back to you quickly with a meaningful response. Special shout out to Brad Thompson for his presentation on Wednesday, but more importantly, the work he has undertaken to formalize the sponsorship concept. Way to go, Brad!!! A great time was had by all at the Wash Park TAVERN happy

hour last week. It was great to see you all there and looking forward to the next one.

We have some more changes in membership brewing. A new member has applied to join and the board is gung-ho on her membership. Amy Weed recently retired from the St. Vrain Valley School District where she was the Assistant Superintendent. She has been active in Rotary and will be an excellent addition to our club. Her sponsor is Carolyn Schrader. She visited many clubs in the area (she lives in Park Hill apparently), but decided ours is best-suited for her. She will be a great addition. On the other side of the ledger, as it were, David Keifner has requested to put Rotary membership on "pause" due to schedule conflicts. David, hang in there; it is worth it in the long run. I get tough schedules and have been in your shoes many a time. Hope to see you back soon. And Kristy

Bailey has come to learn that she is being transferred to Oz (Australia) for at least 12 months. She doesn't go until June some time, so you all have time to either 1) talk her out of it, or 2) find her a job that will keep her here in Denver. In either case, let he know that we will miss her. But I am hoping she can make it to the float trip!

See you all next Wednesday. Go easy on Melanie. No insurrections!

The Denver Southeast Rotary Planning Committee

When I ask my fellow Rotarians what they celebrate in Rotary, they tell me:

- *I celebrate the connections made by being a Rotarian.*
- *I celebrate the connections with my club members I might never have met.*
- *I celebrate the connections to community projects and global projects, the connections to the people involved in the projects; seeing the difference Rotarians make in the lives of the people served.*
- *I celebrate the connections to incredible dedicated folks serving in roles at the District level, not only seeing what they do for Rotary but seeing the support they give others.*
