Hi all,

It was a great week last week. I dog-sat for three days and it gave me a great appreciation for people who have an indoor pet that they care for. And I thought babies were demanding. But one great benefit is that you look at yards and flowers differently when you are walking a dog.

Don't forget Tuesday August 13 is the Board meeting and all Denver Mile Rotarians are welcome. And Wednesday we will be entertaining the students we sponsored this year in RYLA. They are always a treat.

See you soon. Carolyn

Thanks to all of you for your responses about what makes DMH Rotary great at the meeting last week. One of the tables really captured the key elements: People, Passion and Projects. Mostly people. Your view of who we are is incredible: welcoming, non-judgmental, committed, collaborative. It just goes on and on.

In the next few weeks we are going to explore how we can build on that great sense of belonging and doing.
