## President's Column:

Greetings DMH Rotarians...

The last few weeks I've been working with Audrey Leavitt and Greg Thielen to allocate funds to their committees - world community service and local community service, respectively. One of the things that has come up is that we need to find some new local community projects. And what we're looking for specifically is a hands-on project that can involve our membership on a consistent basis.

For the new folks, to illustrate the perfect hands-on project we did recently, every week about 5 or 10 of our members met at an urban school and helped bag food for less privileged kids. "Manpower" was required to do all the sorting and moving of the food for several days out of a month during the school year, so it consistently got our members working together in the name of service. It also was responsible for an important part of Rotary - fellowship.

Our August 21st meeting will be dedicated to discussing, as a club, what project(s) we would like to pursue in the spirit of the aforementioned. In the meantime, check out the following list of hands-on projects that other Rotary clubs in our area participate in:

## King Soopers Community Rewards Program Sign up Now

For several year members of Denver Mile High Rotary have helped support the Club by using King Soopers gift cards that provided cash rewards to our Club. King Soopers has adopted a new, much easier program called King Soopers Community Rewards. The new program is linked with the rewards (discount) cards that all grocery stores now have. Every time you use your King Soopers rewards card or enter your rewards number, our Club will benefit.

**For the first Quarter we participated in the new program, the Club Received \$238.25.**

If you shop at King Soopers and haven't signed up yet, please do so. This really is free money.

Everything is spelled out at their website: <https://www.kingsoopers.com/>

If you already have a rewards card with King Soopers, log in with your user name (generally your email address). Once you are signed in, on the right side next to shopping cart, you will see your name and "My Account." Hover over "My Account" and it will open. On left side of the screen is "Community Rewards." Click on that.

You will have a chance to select the organization that will be credited based on your expenditures. You can enter "**Rotary Club of Denver Mile High**" or enter our code: DM464 (*Note that "Denver Mile High Rotary" will not work.*)

You will then be enrolled and will not need to do anything further.

The Club will receive rebates quarterly based on our collective expenditures.

If you don't have a King Soopers rewards card but would like to support the Club, go to the website <https://www.kingsoopers.com/> You will be able to create an account and then follow the instructions above to link our Rotary Club with the rewards.

# Contributions to DMHR Foundation

Contributions to the DMHR Foundation can be made by giving them to Tom Giordano at club meetings or by mailing checks directly to
