Hi everyone,

Jeff Keas was a really interesting speaker last week—overseeing the development of the Olympics over a 12-year period seems remarkable.

This Wednesday we will be visited by our District 5450 District Governor, Sandy Mortenson. As with all District Governors (and Club Presidents) she has one year to implement her goals, so she is visiting many Club to share those goals and to hear what we are doing.

And that is where you are in for a treat. This week you will be able to hear from our very own Denver Mile High Rotarians about the work that we as a Club do. Truly, this Club would be nothing without the many champions who recruit participants and create effective and well-organized service and other activities throughout the year. Please join us so you will be more familiar with acronyms like RYLA+, LCS, FFT, DDF, XYZ, etc. As I said last week, I think we'll all be surprised by the scope of our

service.

We'll also have a background PowerPoint with some great photos of our Club members. Here are a couple of previews.

See you Wednesday. Carolyn

**September 5th** – **Laney Shaler**, Director of Teacher Pathways and Development for Denver Public Schools (DPS) will be our speaker. She will share information about DPS' effort to make the district the best place for teachers to begin their career. She will share details on district aims, and how the district works in collaboration with teacher preparation partners to increase the quality of training experiences candidates have before they lead a classroom of their own. The goal of these efforts is to support new teachers in getting better faster, so that they stay longer to positively impact students.

# FAMILY OF ROTARY

Contributions by Pat Gormay Barry

I am amazed that **Karl Paulson** not only makes it to our meetings, but he served as Host two weeks ago and arrived 30 minutes earlier. Karl is the Director of Policy, Planning and Budget for Colorado PERA, and he and **Lawrence Mundy**, PERA's CFO, were behind the complicated legal process approved by the State Legislature in May. Karl is able to pull this off AND be a hands-on father to five children under 10 years of age!!

Karl Paulson and his Oldest son

**Chuck Rudolph** and Charlotte are adjusting to a significant downsizing move from a large house filled with their beautiful art to a downtown condo. Chuck says the change is harder for him than Char. The reason? "It is filled with old people," he whispered. We know that Chuck runs circles around people half his age, and is impatient with peers who are limited by their thinking.
