Greetings to the best Rotary Club there is and has ever been...

Last week I told you we're going to have a special meeting this week to come up with a plan for a new local, hands-on community service project. I hope you will be there because it will allow you to have input in what we do as a club to help the community, but also because it's these kinds of meetings that really affect our morale in a positive way.

Most of the meeting we will be working in small groups - lead by the amazing Amy Weed - to brainstorm ideas for non-profit organizations in the Denver area that support our goals. I'm excited because I love seeing the members of the club engage with each other to improve the club and what we do for our city.

Other news...

I had the pleasure to meet up with members at the happy hour last Thursday. If you haven't been, or haven't been in a while, I highly recommend making some time to meet up. It is always a good time and you feel like the small group is doing its part to solve the world's problems - or maybe that's just me after a beer.

Remember that this Sunday we will be celebrating our awesome past president, Carolyn Schrader. She did many wonderful things while in office and I hope you can come and honor her. Past president parties are always a lot of fun!

Have a great week!

Scott

King Soopers Community Rewards Program Sign up Now

For several year members of Denver Mile High Rotary have helped support the Club by using King Soopers gift cards that provided cash rewards to our Club. King Soopers has adopted a new, much easier program called King Soopers Community Rewards. The new program is linked with the rewards (discount) cards that all grocery stores now have. Every time you use your King Soopers rewards card or enter your rewards number, our Club will benefit.

For the first Quarter we participated in the new program, the Club Received \$238.25.

If you shop at King Soopers and haven't signed up yet, please do so. This really is free money.

Everything is spelled out at their website: <https://www.kingsoopers.com/>

If you already have a rewards card with King Soopers, log in with your user name (generally your email address). Once you are signed in, on the right side next to shopping cart, you will see your name and "My Account." Hover over "My Account" and it will open. On left side of the screen is "Community Rewards." Click on that.

You will have a chance to select the organization that will be credited based on your expenditures. You can enter "**Rotary Club of Denver Mile High**" or enter our code: DM464 (*Note that "Denver Mile High Rotary" will not work.*)

You will then be enrolled and will not need to do anything further.

The Club will receive rebates quarterly based on our collective expenditures.

If you don't have a King Soopers rewards card but would like to support the Club, go to the website <https://www.kingsoopers.com/> You will be able to create an account and then follow the instructions above to link our Rotary Club with the rewards.
