Hello, all. Not a great deal to report for this week's newsletter. Hope you all are gearing up for some fun summer plans! Geoff often likes to say, "living the dream!" Well, I guess he is, since he is fishing off of Sanibel Island with his family and apparently catching some nice ones! Soon, I will be off to MN, where the bass are large and the mosquitos even larger. Fortunately, my daughter has grown up so I don't have to worry about her being carried off by the July mosquitos of MN. I hope you all get out and about and have some great times with friends and family, wherever your travels take you.

See you tomorrow.

Denver Mile High Rotary Upcoming Programs

6/20

Teva Sienicki from Metro Caring will be our speaker. Metro Caring helps meet people's immediate food needs while sustainably addressing the root cause of hunger: poverty. They provide nutritious groceries to hungry neighbors, and also offer comprehensive, wrap-around anti-hunger programming so that families can break the cycle of poverty. Join us as Teva discusses the great work Metro Caring is undertaking, including their free grocery store, Fresh-Foods Market.

6/27

Dr. Art Strasburger will be our speaker. Art is a retired Orthopaedic Surgeon who practiced in south Denver for 30 years from 1972 to 2001. He has a particular interest in medical ethics and has served on the Ethics Committee at Littleton Hospital for 15 years. As a speaker for Compassion and Choices, he talks to both medically oriented and lay groups about the options available at the end of life. Art discuss all of the options available at the end of life with special attention to the new "Colorado End of Life Options Act" (medical aid in dying) - what it entails, what are the requirements to qualify, how one can access this alternative.
