Hello, All. I hope you had a great Memorial Day weekend, filled with friends, family and thoughts of those who sacrifice for us... Tomorrow, you all will be in the capable hands of Carolyn Schrader, as I am travelling this week. Have a great meeting! Also remember: Fewer than two weeks until our Rotary Rafting Trip down Clear Creek on Saturday, June 9th. We have 36 rafters currently signed up. If we can get over 40 participants, we can get an additional 20% discount on the entire package that will be contributed directly to our charitable cause, Warriors on Cataract. That's a significant additional contribution, folks! **Please seriously consider inviting a friend or family member to join us.** This is also a great way to introduce a non-Rotarian to our Rotary Club. We can add participants to the rafting trip AND to our pizza buffet lunch at Beau Jo's up until next Wednesday, June 6th. After our Rotary breakfast on that date, Geoff Noble will be calling in our final numbers.

See you next week! Adams

Denver Mile High Rotary Upcoming Programs

5/30

Our very own Ronnie Weiss will be our presenter. Please join us as Ronnie discusses the important conflict resolution classes and programs happening at The Conflict Center. The Conflict Center was founded in 1987 and teaches communication skills, consequences, negotiation, anger management classes, conflict management, and assertiveness.

6/6

We will be dark at the UClub.

On WED June 6, DMHR will travel to Panasonic's CityNOW Headquarters (near DIA) where they recently built and opened their Smart City Innovation Showcase. The event will provide the opportunity to experience future planned advancements in city infrastructure and transportation. We'll have breakfast there. This permanent and expanding exhibition is part of the efforts being made by Panasonic and other corporations as the City and County of Denver, RTD, DEN, CDOT, Xcel Energy, and many other Colorado stakeholders work towards a safer, smarter, more efficient future with smart city technology.

6/13

Tiffany Grady from Book Trust will be our speaker. Book Trust empowers kids from low-income families to choose and buy their own books, all through the school year. Tiffany will explain how Book Trust helps kids build home libraries full of books they want to read, and helps teachers use those books in the classroom to build healthy habits of reading and learning. This year Book Trust will deliver 1.6 million books to 53,000 kids in 22 states.
