Hello, All. As I have mentioned a few meetings ago, we have kicked off this nascent process of investigating coming up with a new signature event for DMHR. Several of us participated in an initial call last week to lay the groundwork. We set five foundational objectives of such an event: 1) Raise the profile of Rotary and, specifically, DMHR; 2) Engage the community; 3) Fundraise from outside the existing Rotary membership; 4) Develop something that the whole club can get behind; and 5) Make sure it is a reasonable investment of dollars to get a return. In other words, something that is not so expensive to do that we are in danger of not getting enough back to cover the costs and then give us a good return. I also threw in the point that we should realize that any program will likely require us to crawl before we walk before we sprint, so we should build that into the concept. As I am sure many of you are asking right now, we asked "What

exactly is our community?" The truth is that we are still kicking that around and we will be coming to all of you with the same question in one form or another.

But, also, we launched into the discussion of how we attract constituents to an event? And we coalesced around a concept (to be vetted) that we should consider an event that raises at least some significant amount that addresses a pressing need in the community around DMHR – Capital Hill and generally central Denver. To that end, Anson is putting together some questions that might be beneficial for you to ask of people in and around downtown Denver. Anson will get into details, but basically, this is a research effort to identify those issues most prescient in the neighborhood that we could potentially use as a rallying point for building a groundswell for raising funds and solving problems. So, think of it as a research project we are asking you to help with.

This process may take a bit of time. We acknowledged that it likely will not be this year that we actually launch an event. But planning for the future, so we can really develop a good program that accomplishes the objectives above could prove to be transformational for DMHR in a great way!

Incidentally, I was on a call with all the Presidents and DG Abbas a little while ago. He called out the Food for Thought program as an example of why he is proud of Rotary, why everyone should be proud of Rotary and why everyone should know about Rotary. Way to go DMHR!!!

Warriors on Cataract Update

Warriors on Cataract Newsletter #57 - the upcoming All Female Canyonlands/Colorado River trip Greetings all, This upcoming September 4 All Female trip will be the largest we have ever done. 30 women signed on, plus my SAG crew of 4 and me, and Tag's 4-5 female guides. Three female licensed therapists, all three are river runners who have rowed the Grand Canyon, very steeped in outdoor therapy. Two licensed recreation therapists (one has had 35 foster children, is the safety net for at risk youth in Cheyenne. Wonderful woman).

Female disabled vets are an under-served population. So these All Female trips are very popular. Many have been repeatedly assaulted in the Military, suffer from PTS and MST (Military Sexual Trauma) and are uneasy camping with male soldiers. There is certainly much conversation and bonding when among other female vets.

This should be a very effective trip. We're doing 5 days instead of the usual 4 to give more yoga-on-the-beach time, mindfulness and meditation time, and the all important campfire talking time. The river will be warmer, beaches wider, water slower than the May trips, water. In this milder river we can let the women team up in paddle rafts and inflatable SportYaks.

Six female Brits are coming over, will arrive early for some Moab activities. The NATO troops have fought in our conflicts.

My sidekick Buzz and I are the only males, but we just camp away and let things take on a life of their own.

Thanks for all of your support.

Best, Fred

Rotary Club of Five Points Denver Event

Wednesday, October 11, 2017

The Rotary Club of Five Points Denver is pleased to host a screening of the film *The Last Bill, a Senator's Story*, a behind-the-scenes documentary of State Senator and Rotarian Linda Newell's real-life story carrying bills through the legislature. The film will be followed by an open dialogue around the issues of peaceful problem solving and healthy communication in government. This event is one of many happening around the state during Colorado's Conflict Resolution Month in October. **Seating is limited.**

A portion of the proceeds will support Senator Newell's education initiative, developing academically aligned film curriculum guides to be used in K-12 schools across the state. Increasing the civic knowledge of youth and the civic engagement of our citizenry has never been more important. Many people lack knowledge or experience with the role, process, and positions in government. What better way than to show them from an insider's view?

Additional proceeds from the event will benefit the Rotary Club of Five Points Denver programs targeting neighborhood schools, community, and educational organizations as well as Rotary's End Polio Now foundation and Shots for Tots and Teens.

This event will take place at the Posner Center for International Development in the Five Points neighborhood. A meet-and-greet happy hour will begin at 6:00 pm. The film will start promptly at 7:00 pm and a Q&A session with Senator Newell will follow. The event will conclude at 8:00 pm.
