Thank to everyone for making last week a fun meeting about the club!

I hope you are as excited for the upcoming 3 day weekend as I am. While it is the beginning of the end of summer we can already start to feel a little fall in the air.

September will be a busy month for us. Do you ever look at the calendar on our site? or want to add something to it? <http://denvermilehigh.org/Events/Calendar>

You can see some fun upcoming events, September 9th kicks off of Harrington! Hope those who can will be hiking Rotary Peak with us on September 11th, and of course

the Universal Healthcare Debate - we already have 40 RSVPs. If you haven't already RSPed please do, and if you can, please invite friends and family to attend. This will be an interesting and educating meeting about something that will affect each of us directly.

Don't forget there is some fun to be had, at the next monthly Happy Hour. Betty Speir will have more details soon about when and where.

Rotary has a calendar - and August is - Membership and New Club Development month, let's continue to grow our club! Ronnie Weiss who was at our meeting last week has applied for membership! Once the board and the club

approve we are growing one member at a time! Invite friends, family, co workers, people who you may not think would be interested. They are welcome for breakfast, let them decide for themselves.

Have a great rest of the weekend and enjoy the Labor Day Weekend. To honor us, the working people!!!

See you all tomorrow,

Invitation: DMHR Discussion Group

Community Service or Toxic Charity? – How to maximize the value of DMHR Service Projects.

Denver Mile High Rotary provides countless hours as well as significant funds to improve the quality of life for people in communities – both locally as well as globally. But is the work we do optimal for the communities and people we serve? How do we know? How do we make the most positive change with our resources? Do we sacrifice long term benefit to our recipients in order to achieve short term, feel good benefits for those who serve?

We will strive to explore and perhaps answer these questions and more in the new ongoing **Service Discussion Group** being co-championed by Bob Kemp and Paul Leidig.

This is a voluntary discussion group open to all members interested in helping our Club maximize the impact and sustainability of the service work we do - locally and around the globe. We plan to use a combination of videos and readings to precipitate group discussions which will be held every few months. All you need to do in order to participate is to watch a video or read something and come prepared to discuss the message, and it's applicability to our clubs work.

The first Service Discussion Group meeting will be hosted by the WCS committee on October 3rd – time and place yet to be determined. Our initial discussion will focus on the film “**Poverty Inc.**”. Prior to the meeting, please watch the film and come prepared to discuss it. The movie is available from many sources; please see the following link for more information. <http://www.povertyinc.org/>

As always please direct questions, comments and feedback to either Paul Leidig (leidigpa@gmail.com) or Bob Kemp (rkemp10453@aol.com).

We welcome your participation in this dialog!

Tour of the American Museum of Western Art

PLEASE MAKE YOUR RESERVATION

At our July 27 DMHR meeting, Kristin Fong, Educator of the American Museum of Western Art invited the club members and guests for a private tour. We have scheduled our visit for Wednesday November 2 at 3 pm. This will be our get together in lieu of our club meeting for that date.

After an approximate 1 ½ hour audio tour, we will adjourn to the Brown Palace's Ships Tavern which is just across the street from the Museum at 1727 Tremont Place for no-host libation and club provided snacks.

We have ample space (limited by audio devices) at 50 units but we need to get your reservation. Please bring a spouse or friend. This is also a great way to introduce new people to the club. Your sole cost at the Museum will be \$5 per audio set.

Please also respond if you only expect to come to the Ship's Tavern, indicating "Ship's Tavern Only".

A Evite invitation will be sent out to all members. Please reply to the invitation as it will make it easier to track responses. If you did not receive the evite, you can also follow the following web address:

http://www.evite.com/event/0249TMSGKK4PPECVCEPGLGS3JFGELY/activity?gid=006AQ6OB5WBWA4A7IEPGLGTA5W2DPU&utm_campaign=view_invitation_button&utm_medium=email&utm_source=GUEST_INVITE_EVENT

The American Museum of Western Art provides access to one of the world's most comprehensive collections of Western art in one of the most unique settings in the country, the historic Navarre Building. The Collection is displayed in a salon style, which is in keeping with the Navarre's 19th Century origins and allows the Museum to exhibit a survey of Western art and history. The Museum's permanent exhibition (which includes over 300 paintings, drawings, and sculptures by more than 180 artists and spans nearly 200 years of American history) promotes the public's understanding and appreciation of art depicting the American West from the early 1800s through the present day.
