Rotary is family. Each member of this club is like family and it is always great to see how our club supports each other. Thank you for your concern for **Ann Tull** – a little update – as of Monday night they moved her to The Center at Lincoln, 12230 Lioness Way, Parker, CO 80134 [720-974-1377](tel:720-974-1377). Continue to keep her in your thoughts and prayers and send her our best wishes during her healing experience. We hope she will be back on her feet soon and back at Rotary. We will continue to keep you updated with her progress.

There is a lot going in the next few months!

I will start with this week. I am looking forward to our speaker tomorrow - **Kate Tweedy**, daughter of Secretariat's owner-manager Penny Chenery, and granddaughter of his breeder, Christopher Chenery, will join us to discuss her mother, grandfather, and their magnificent horse that captured headlines in 1973 winning the Triple Crown. Should be such a treat to have Kate speak.

Thursday – please join your fellow Denver Mile High Rotarians and Friends at Voice Box,

private karaoke! Come for the entertain and watch (you don't have to sing, join for the fellowship) or be the entertainment! \$15 donation to the Denver Mile High Rotary Foundation – meet at Voice Box on 26th and Walnut! Come by at 5:45 and we will have the room from 6:00 – 8:00pm! [Sign up here!](#)

Thank you to everyone who volunteers each week at Bryant Elementary for Food For Thought! Denver Mile High Rotary will be back at it this Friday – if you have not yet volunteered please do – no one has yet signed up for this week – you can [CLICK HERE](#) to do so.

Are you available January 28th? Can you join the Cherry Creek Rotary for Habitat for Humanity? Find the details in the newsletter. They need 11 more volunteers.

February 4th – a group will head out to the mountains [for snow shoeing and back country skiing](#). Should be a great day in the mountains and fresh air!

Of course the Heart for Humanity fundraiser is coming up on February 11th. This is our club's opportunity to

raise money for the Denver Mile High Rotary Foundation to support the projects that we get to support each year! Thank you to **Heidi** who has put in so much effort in collecting the items and securing the venue! We hope to have a fun night. Can you donate an item to the silent auction? Can you buy an extra ticket or two and invite a friend to the event? Would you or your company consider being a sponsor? We only have a few weeks until the event. Please help make it is a success and a lot of fun! [Sign up now!](#) [Click here.](#)

Also save the weekend of April 1st and 2nd for the Rotary Ski Day! Details are still being determined but will a great way to get on the slopes and enjoy what Colorado has to offer!

Thanks for all that you do for Rotary!

See you tomorrow

Mile High Rafting Trip

ROTARY HALF-DAY RAFTING TRIPS WITH MILE HI RAFTING ON SATURDAY, JUNE 17TH. A \$5 DONATION IS INCLUDED IN THE COST OF EACH TRIP. ALL PROCEEDS GO TO SUPPORT THE WARRIORS ON CATARACT PROGRAM

SURE–SHOT - \$49 ADULTS, \$44 CHILD

Rafting on Clear Creek River's mountain water is an experience that's fun for the whole family. Get ready for some fun on our exciting 'Sure Shot' beginner-rafting trip. Begin with passing by the historic Charlie Taylor Water Wheel experiencing Class II rapids (ripples). While rafting through Historic Idaho Springs the Class III rapids of Castle Falls and Argo Holes test your newly developed rafting skills. Below town history and nature abound, with the occasional sighting of Retail Hawk, Deer, Fox, Bob Cat, Lynx, Elk, and Big Horn Sheep. Dizzy Lizzy, Power Line, Mountain Lion, and Box prepare us for the grand finale of Mr. Twister! The perfect beginner - starting with Class II water so you can practice, and then the Class III rapids. There is a 50 pound minimum for rafting to insure proper fit of the life jacket. Allow 3 hours for the trip.

BLAST (INTERMEDIATE HALF DAY) - \$59 ADULTS

Perhaps you've already been there and done that, and are looking for something more. Most folks who paddle the Blast weren't expecting some of Colorado's most consistent whitewater, and come back for more! With five solid class IV rapids and more class three whitewater than we have space to mention, the Blast is waiting for those with good physical conditioning and an attitude for adventure. If you are active in your daily life the 'Blast' is the trip for you. Allow 3 hours for the trip. Minimum age 14.

KAMIKAZE (ADVANCED HALF DAY) - \$79 ADULTS

One of our former guests refers to this trip as "the best darn whitewater around!", and after braving the rapids of the Kamikaze trip you'll understand why. Add another two miles of continuous (and we aren't kidding!) class IV/III whitewater onto the Blast and you have an adventure that will bring you back over and over. If you're on your toes you might have time to enjoy the scenery of the Front Range before you dive into your next rapid. Previous experience and the ability to swim is highly recommended. Allow 3 hours for the trip. Minimum age 14.
