President's Column

Dear Rotary Colleagues

12 Feb 2024

Upcoming

Our Club's operations Board will be meeting this week. One agenda item will be reviewing and approving Board positions for the upcoming year (24-25). There are three Director-at-Large positions open (terms begin in July). We welcome self-nominations to fill these vital club roles. This is a great way to get to know and influence the way our club operates day-to-day, month-to-month. Please let me know if you are interested or need additional information to become interested. Bottom line, we need you.

In Retrospect

Last week we honored Chuck Rudolph's significant legacy impact on our club, with several personal testimonies and historical photographs. Chuck's signature warmth and humor were influential for several members deciding to join the club and find direction once in the club. As we were meeting, we also learned that his wife, Char, had just passed away. Chuck's son, Mark, has indicated that he will direct an "in lieu of flowers, please donate to..." message, indicating DMHR Foundation as a worthy recipient. For club members, also consider our DMHR Foundation "Permanent Fund" as an additional option for personal contributions. Information regarding memorial services will be shared as soon as received.

Appreciations

Thanks to Tom Cella (with Dan Hall, Robin Springer) and Debra Flick for their informative "mid-year" activity reports for Local Community Services and Diversity, Equity, Inclusion, and Belonging. These areas are central to our mission and we want our membership to know what is happening. Tom and Debra demonstrated their strong leadership on behalf of the club.

One of Us

See if you can guess the mystery member with the provided clues. Began life down under and has tried out several other settings before settling in Colorado including Michigan, Indiana, Georgia, Florida, South Carolina, Spain, Germany, and England. A natural born traveler with favorite trips in Aruba, Hawaii, and Eurailing Europe; still thinking about India, Nepal, New Zealand, Fiji, and Singapore in the years ahead. Prefers home meals to dining out but references Yaya's, Papadeux's, and Eddy Merlot's as next best options. For downtime (if there is any) enjoys gardening, sewing, reading, and spending time with family. Once waited tables and taught ballet; in a future life, would definitely choose the path of a physician. The Nepal grant is a highlight Rotarian activity. Also interested in humane society and abating human trafficking activities. Who am I?

A word from your editor

Dear fellow Rotarians,

A cruise and a family visit behind me, I am ready to return to routine! I am excited about the upcoming new Rotary year beginning July 1st, and prior to that the PETs event March 1-3. I know that our PE, Dan Hall and I will learn so much about the coming year and Rotary in general. I hope that each of you will volunteer to be president at some time if you have not done that before; it is such a rewarding and enriching experience. Once you have been a president and have been a Rotarian for seven years, you will qualify to be District Governor...so many opportunities!

See you in person on Valentine's Day!
