President's Column

Dear Rotary Colleagues,

15 April 2024

Upcoming

This week's presenter is our World Community Service committee who will update us on the club's international service projects.

Our club's Epic Day of Service takes place May 11th. Our annual signature event works with The Park People to plant 30 trees in a Denver City Park. We are looking for 30 participants and have filled 15 slots to date. Please consider joining this fun day of service benefitting our city and the environment. Click here to register

In Retrospect

The memorial for Chuck and Char Rudolph was well attended by DMH Rotarians who listened to touching eulogies highlighting the couple's community and family minded generosity over their lifetimes, courtesy of son Mark and Montview's Pastor.

George Sparks, CEO of the Denver Museum of Science and Nature, provided an open-ended presentation on the museum's diverse undertakings, responding to the interests of participants. A follow-up visit to the museum's archive collections (representing 98% of all artifact holdings) will take place May 15th from 9 to 10:30 AM (following our regular UClub meeting). This private tour will accommodate 12 club members on a first come, first served basis.

Appreciations

Thanks to the weekly Village Exchange food packers (Tom C, Tom Gi, Walter, and Jim).

Appreciation to Tom C and brother Chris who helped distribute house furnishings from an estate to recent Afghan newcomers.

One of Us?

A word from your editor

Dear fellow Rotarians,
There's nothing like visiting family, especially after not seeing them for a few years, they understand my humor and can finish my sentences. My roommate, her husband and I picked up like we had seen each other yesterday, and the fact that they still live in Ann Arbor where we all attended the University of Michigan was an added bonus...old times, old dorms, classrooms and haunts revisited. So happy I made this trip! I hope that you all connect with your out of town families and friends as often as practical.
I'm heading to Florida to bring Geoff home and we'll both see you in May. Happy April to all.

See you Saturday, May 4th at the [DANCE PARTY!](#)

[Colorado Gives](#)

Marty Waters has registered Denver Mile High Rotary with Colorado Gives. It could not be easier to donate through this site to give to our DMHR Foundation. You can make a one time donation or a recurring commitment. Additionally, Colorado Gives provides an option for the donor to cover the very small processing fee so that our foundation benefits from the donor's entire contribution.

To give one time or to set up a recurring donation, [please click here](#). Thank you in advance!

Our foundation treasurer, Noreen Keleshian, did an extensive comparison of giving platforms (including PayPal) and found Colorado Gives to be the most cost effective way to donate to Denver Mile High.
