In between times, lame duck, transition, handing off the baton.... phrases describing this time of year in Rotary.

Regardless of the phrase you prefer, it is a great time!

Denver Mile High Rotary has had a challenging Rotary year AND we have prospered from this journey. We are better for it and must own that relationships and working to make our little world a better place is what it's all about. In reflecting on this journey we have two new members and a third in the wings! We have launched a new LCS project, Food For Thought at Harrington Elementary! We have launched a new WCS project in Nicaragua! LCS has surveyed the members to prioritize and strategize our upcoming outreach efforts! We have a continuing relationship with the University

Club and established a new structure for dues and meal options!!! We have a new Club runner website! I apologize for what I may have missed and want to note how it's the small things that make the big difference!

It is quite humbling to serve your peers AND I say THANK YOU to each and everyone of you! You have journeyed with me this past year and carried me through by doing what you do best - Lighting Up Rotary!!!

ADVENTURE FOR GOOD

COLORADO, IT'S TIME TO SHOW THE WORLD WHAT WE'RE MADE OF.

Early in the morning on August 8, 2015, while the world is sleeping, we'll be lacing up our hiking boots. We'll strap up, gear up, and hit the trails. Together we will be ascending peaks across the state, attempting to summit all 54 of Colorado's Fourteeners in one day - with the goal of raising money to help end water poverty for fifteen communities in Nicaragua.

If you're an adventure-loving human who craves the crisp alpine air in your lungs, thrives in active community, and strives to have a positive impact in the world,

we want you. *Join us at co54.org.*
