Denver Mile High Rotary where commitment and service rise above the mountain tops

President's Column:

You may have read in the September "Rotarian" that October 24, 2015 will be World Polio Day. Denver Mile High Rotary is doing what we can to draw awareness in their communities to Rotary's involvement in eradicating this dreadful disease. As RI President Ravindrán stated..."Today I truly look forward to the reality of a polio-free world.....once the poliovirus is interrupted completely does not mean we have reached the end of our work. Three years must pass before the world ...can be certified polio free.

During this time we must continue to immunize children, monitor the environment for signs of the virus, and keep awareness high."During this time we must continue to immunize children, monitor the environment for signs of the virus, and keep awareness high."Don't forget to join us this Tuesday for Trivia at the Park House

(1515 Madison St, Denver, 80206. Why: This is fundraiser for the End Polio Now campaign, and it's also a great way to support our past and present scholarship organization.

Who: Anybody! The more the merrier and better for the fundraiser. Each person that participates donates money to End Polio Now as well as has a chance to win a cash prize! Don't forget, this place has great deals on drinks and food too.

PS: You do not need to pay to participate, but if you do not pay you will not have access to the chance to win the cash prize! Please contact ([Heidi Resetarits](#) [<heidi.rr@gmail.com>](mailto:heidi.rr@gmail.com))

Oct 7th - Will be at the CEC (2650 Eliot St.), as is our custom, to enjoy breakfast and share time with the Interact students. Scott Springer, Principal, CEC Middle College, will speak with us about DPS/Colorado schools and about the future of education. To accommodate Mr. Springer's and the students' schedules we will have coffee, listen to Mr. Springer, meet with the students, and then enjoy breakfast. ****Mr. Springer will begin speaking at 7:15 so please arrive at CEC around 7:10. Also, remember to bring the parking permit that Bob sent to all of us.****

October 14th - Gayle Lehrmann will be our guest. She is a former long-time member of our Club and many of you will know her. Gayle will talk with us about an interesting program called, "Peaceful Schools," that has been rolled out in the District.

October 21st - We have all heard about the dramatic decline of bees and the potentially major consequences on crops and other plants. Amanda Accamando, the head of the Education Department at Hudson Gardens will be our speaker. Amanda is an advocate for beekeeping in Colorado and runs the community Apiary at Hudson Gardens.

October 28th - Dark at University Club

October 29th - District Assembly

Don't forget to load up your King Soopers Gift Card! Here are some creative ways to use it:

- Buy it as a gift: College kids, newlyweds and new parents appreciate groceries!
- Use it to buy supplies for special events; like bbq, mini-dinners or fundraisers.
- Purchase two, one for you and your spouse so that you always have it handy.
- Leave it in your car next to your re-usable bags, so you can grab both on the way out!

Every little bit adds up to funds that our club can use to treat guests or have events. Thanks for your support!
