Beloved Members

Rotary Club of Denver Mile High
Denver, Colorado

To the beloved members the Rotary Club of of Denver Mile High,

As I reflect on my seven-year journey with the Rotary Club of Denver Mile High, I am filled with immense gratitude for the experiences and opportunities this esteemed organization has provided me. Serving as a member and a past President has been one of the most rewarding chapters of my life.

I am writing to express my heartfelt thanks to each of you for your unwavering support, guidance, and friendship. The wisdom shared by all of you has been invaluable, the chance to engage in local and international service projects, and the opportunity to lead you through a difficult year has expanded my horizons in ways I had never imagined. These experiences have not only enriched my life but have also fueled my passion for service and community engagement.

I am particularly proud of the projects we have undertaken together, making a tangible difference in the lives of many. The spirit of collaboration and commitment to making the world and our Denver community a better place that defines our club is something I will always carry with me.

Although I am stepping down from my formal role within the club, please know that my commitment to the Rotary's ideals remains steadfast. I look forward to supporting the club's endeavors in any way I can and hope our paths will continue to cross in the future.

Thank you once again for the memories, the lessons, and the opportunity to be part of something truly special. I am forever grateful.

With love and respect...
