Hi Denver Mile High Rotarians,

Wasn't that an interesting presentation last week about many of the activities of our Club? A special thanks to the members who spoke about their passions.

We are so blessed to have so many enthusiastic champions—they are our inspiration and what makes the Club great. If you have a cause that you want the Club to support, talk to one of the people on the panel. We are always looking for more ways to make a difference in the world.

If you were at the meeting last week you also saw a power point that featured many of the Club's activities. We are considering having a shorter version

running early in the morning before the beginning of each meeting. Let me know your thoughts on that and whether you have photos that you'd like to have included.

We are getting our citrus sales into full swing. You will be receiving by email soon an individual sales form to use for buyers and a consolidated form for tracking all

your sales. There will be more details at the meeting Wednesday.

Don't forget that there is a Club Training Workshop on September 15 from 8am to 12:15pm. The \$25 cost of the workshop will be covered by the Club through the generosity of one of our members. Please consider attending. Registration is online at <http://rotary5450.org/>

This week our speaker

will be Laney Shaler who will talk about DPS teacher development. A good childhood education is one of the biggest gifts that we can give to a child, so this should be very interesting. I hope to see you there.

Carolyn

FAMILY OF ROTARY

Contributions by Pat Gormay Barry

Ann Tull shared that her brother, **Dr. Erv Hinds**, died on her birthday after a courageous 13-month battle with cancer. DMHR members met Erv when he spoke to the club about his book, *Healing the Pain of Heartache*. He practiced anesthesiology and later pain medicine. Please extend condolences to Ann for her loss. [Click here to see his obituary](#)

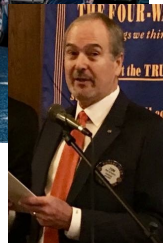

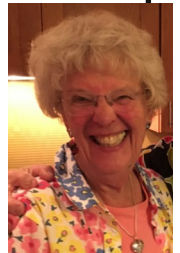

Dr. Erv Hinds

Ann Tull is also getting together with her East High School classmates to celebrate the 60 year anniversary of their graduation. She said the group is getting together a few years early because everyone is healthy and they will have a wonderful time reminiscing about Denver in the early 1960's. Ann is a wonderful resource for information about metro Denver and Colorado, so ask her about your neighborhood!

Tom Gregory and Sarah Hite have been involved in the Cancer League of Colorado, and last week attended the successful walk/race held at Washington Park to raise money for cancer research. Tom serves on the League's Board of Directors. He and his wife, Debra, have been active since their beloved daughter, Genna, passed away from cancer in 2015.

August 21 was a beautiful night for Rotary Happy Hour at The Ale House in the Logan neighborhood. The group had lively conversations while they enjoyed drinks on the rooftop overlooking the city. Next month's Happy Hour will be held at La La's on Logan and 7th Ave.

Sarah's husband, and former **DMHR** member, **Bob Hite**, died from cancer in 2007. At last week's meeting, she mentioned that it was her wedding anniversary and that she and Bob would have been married 58 years.

DMHR has a beautiful tradition of planting a tree in Denver park, or other location selected by the family, in memory the deceased. Bob's tree is in Cheesman Park on the south side near 8th Ave. Sarah walks by it regularly and will be happy to tell you which tree it is.

Constance Mortell has been busy establishing a second residence in NYC. Constance considers Denver her "home," but is re-connecting with former business and philanthropic opportunities in NYC. She is committed to DMHR and will be as active as possible.
