Denver Mile High Rotary where commitment and service rise above the mountain tops

## President's Column:

This week brings us to the month of September and the Labor Day Holiday.

A number of us enjoyed a wonderful late summer mini-dinner with the Schraders last Saturday. Always great to spend some time getting to know everyone better. Many thanks to Carolyn and Paul for hosting.

Last week was our first week back at Harrington Elementary, packing weekend food bags for the students. Many thanks to those who helped out! We will be back at Harrington this Friday and would love to have a few more volunteers. We need 6-8 volunteers each week in order to make this project work. The online signup for the next few weeks is available on the Club website.

We are also actively recruiting volunteers to help out with the Villa Park 9 Health Fair which will be held on October 17th. Please see Linda Sue Shirkey for more information.

Please mark September 8th on your calendar for the next Board Meeting. We will meet at 4:30 in Jeff

McAnallen's office in the Wells Fargo Building. All club members are welcome to attend. Whatever your plans for the Holiday week-

end, please be safe and have fun!

## Denver Mile High Rotary Upcoming Programs

**Sept. 2** Dave Johnson is a local zookeeper, conservationist, and children's book author. He has been here in Denver with our community for over 17 years working with pachyderms at the Denver Zoo. Dave started a group called Team Nepalorado back in 2010; they travel to Nepal doing conservation initiatives with rhino, elephant, and tiger. He has been over six times and will be returning with 20 people in December. After the massive earthquakes that rocked the region, they will be concentrating on humanitarian efforts as well as continuing their work with the endangered species of the area.

**Sept. 9** For some of us social media is a challenging experience - to say the least! Joyce Feustel will help us understand the various types of social media and how to use it effectively - no matter what generation we are!

**Sept. 16** Karen Susman will be our guest speaker. Karen is a local consultant and talented presenter.

**Sept. 23** Tour of Buckley National Guard Base -- Capt. Kinder Blacke (Geoff Noble's daughter) will be our host as we have a unique opportunity to tour the Buckley Air National Guard Base. You must sign up with Geoff by September 16 to be able to attend (an advance security check is required).

## Help ShelterBox with the 24-hour Giving Challenge!

Greetings from ShelterBox USA HQ!

TODAY, we will be participating in **The Giving Challenge** to generate support for our mission of international disaster relief. *The Giving Challenge* is an online donation drive where hundreds of charities compete for matching dollars and incentive grants during a 24-hour period. Last year, with your support, we were able to raise nearly \$30,000 in donations and matching grant funds. With your help spreading the word this year, we can easily double that amount!

**TO DONATE**, visit <http://ow.ly/wuI9A> after noon EDT on Tuesday, September 1 and click the DONATE NOW button. *(The button goes to a unique link utilized by The Giving Challenge and must be used in order to be eligible for matching!)*

## George Schiel

George Schiel was a member of DMHRC in the 1990s and 2000s. There are still a large number of us who fondly remember his quiet calm participation in the club's activities. He was the treasurer of the DMHR Foundation.

Professionally, George was a senior executive with Children's Hospital and then started up a major medical and airport business called Hospital Shared Services (later called HSS) which provide labor and unique skills to the Health Care and Transportation Industries, mostly in Denver but across the USA.. He was its president.

When George's Alzheimers condition became too severe and he could no longer drive from the South East to Downtown, he had to resign from the Club. That must have been about 5 - 6 years ago. George was always part of my Rotary fly fishing outings and he always caught more fish than most. George lost his battle with Alzheimer's two weeks ago and there was a service for him Sunday, August 23.

Any donations of remembrance can be given to the Alzheimer's Society or to Denver Mile High Rotary Foundation.
