EREY – Every Rotarian Every Year – Is a Rotary Foundation program where each Rotarian contribute at least \$25 to TRF's annual fund. When every member of a club makes a donation, the club earns a banner celebrating 100% participation. So consider donating \$25 or more to the Rotary Foundation to help our club reach 100% participation.

Our speakers tonight included:

Mike Leibman – Young RYLA program. Our club sponsors 1 youth for Young RYLA and 1 High School student. They are also looking for Senior Counselors for their June events. This is a great experience to participate in and training is provided. The website is [Rocky Mountain RYLA – The premier youth leadership conference](#)

The slide presentation is available on the General Slack channel.

Bob Kemp, district international chair for 5450 presented an overview of the International Services initiatives and programs. Bob also shared great information about how to select programs to support and how to build your own international programs. Slide presentation is available on the General channel of Slack. Rotary International's seven areas of focus in 2026 are peacebuilding and conflict prevention, disease prevention and treatment, water, sanitation and hygiene, maternal and child health, basic education and literacy, community economic development, and protecting the environment.
