New member ribbons- We have a red ribbon to add to badges to help identify new members who have been with us a year or less. Keep your eyes open for these badges and remember to reach out to new folks to help them integrate successfully into our club.

Gerri read a nice thank you letter we received from the Erie Food Bank for our donation.

Shelter Box magazine was circulated as an update to current activities of this amazing organization that we help fund.

We have determined that the Garden Tour will not be possible this year so we will continue to research and develop a plan for an alternative Community Farm to table type fundraiser. More to come!

Volunteer Activities

Cultural Caravan is covered

Parade of Lights sponsored by the Chamber needs more volunteers

Pilgrimage Run Thanksgiving morning- needs more volunteers.

Tonight's speakers Rejoice Lutheran Church's Communal Gardens - will be a site for a geothermal greenhouse. If you recall a meeting we had last fiscal year where the folks from Geothermal Greenhouse spoke about their efforts to locate land to build these greenhouses that support sustainability and responsible use of resources. They are looking for funding support from us and the Arvada Rotary club. We can consider using this for our Epic Day of Service project and submit a grant proposal.

Respectfully submitted by Maria Arellano, Club Secretary
