Meeting Bulletin – August 2, 2017

This week, August 2, 2017: **Don Storey** will serve as Rotarian of the Day. Irv Levy, a member of the AM Arvada Jefferson Kiwanis club will speak to us about little known and forgotten Jewish history in New Mexico. Elaine and Irv Levy moved to Colorado about 12 years ago. Both came from Indiana and are graduates of Indiana University and Butler University. Irv is a Sephardic Or Spanish Jew and Elaine is a Methodist. Road Scholars offers a class titled Conversos and Crypto Jews of the Southwest. Elaine will give background on Road Scholar and Irv will report on the content of the class.

Last week, July 26, 2017: **Jerry Younggreen** secured the program for this evening. It was presented by **Clark Walker**, Deputy Director of the Arvada Urban Renewal Authority (AURA). He provided our annual update on how Arvada is renewing. AURA currently has no outstanding debt. They secure the major part of their funding from developer and city contributions. Clark told us the WALMART they secured for the 58th and Independence location is the last WALMART on the drawing board for Colorado. It sounds like Arvada was lucky to get the redevelopment of the Arvada Plaza site.

In two weeks, August 9, 2017: **Nancy Nichols**, is Rotarian of the Day. Nancy is our membership chairperson jointly with Renee Brenengen. We will be in contact with many prospective Rotarians on Peach Sale day, Saturday August 12. Maybe they will have some inspiring thoughts on how we can take advantage of the opportunity.

President Matt Weller's Corner: **President Matt is in Japan. He is thinking about Amazon Smile and Scripts and how easy it is to get dollars to our club.**

August Birthdays:

Nancy Nichols, Cathy Gaume, and Matt Weller all had birthdays in July. We didn't give them a chance to hear us sing or pay the Arvada Rotary Foundation \$1 to \$2 per year of age attained to not hear us sing.

I can't believe it passes the Rotary 4 way test but no one has told me they have a birthday in August.

If your name isn't here and you were born in August please let Dennis Hein know so you can be recognized.

Upcoming Events

PEACH SALE – August 12, 2017 “SUPER CRITICAL TIME FOR OUR ROTARY CLUB”!!!!!!!

The **PEACH SALE** is the main source of funding for all of our club projects excluding Scholarships which are funded by the Garden & Home Shows. Proceeds from the **PEACH SALE** fund “RYLA”, “Read To Me”, “Shelter Box”, “Speaker Contributions for Polio eradication”, “Project Care, Philippines”, “Guatemala Literacy Project”, Santa House, AWRSAY and our Summer Picnic and “Christmas Party”. **Sherry McGee** will be working to transition the peach project to **Susan Weller** and **April Fratzke** this year. Be sure to give a special thankyou to Susan and April for stepping forward to assume responsibility for this critical project. Peaches are \$24 a box this year and the crop is super fantastic!!!!

Colorado Fall Home Show, September 8-10, 2017: Rich Kramer, Jim Gracey and Dennis Hein are working with the Garden Show Foundation preparing for this event. Time commitment is substantially less than the Spring Garden and Home show but we still need to provide 4-5 people for Friday, Saturday and Sunday. We do all ticket sales using the computer system which becomes standard operating procedure for both shows going forward. This is a great time to train at a less busy event than the spring show. **Sign up on the attached sheet now and return it to one of us.**

KRAMER’S CORNER: Here is the latest item Rich Kramer has sent me:

Speeding on Broadway isn’t new.

The Denver Police Department first started using Traffic Officers in 1886.

Two officers on horseback began exclusively patrolling Broadway after someone's speeding led to a three-carriage crash. Next time you're telling yourself, "I wasn't going that fast," think of a person in 1886 saying the same thing.
