### Meeting Bulletin – August 23, 2017

**This week, August 23, 2017: Sherry McGee** is Rotarian of the Day. Sherry will update us on the good news of how successful the peach sale was. Preliminary news I have heard is “you all did very good”!

**Last week, August 16, 2017: Linda Nedved** was Rotarian of the Day. Linda had the RYLA and YRLA campers and families at our meeting to tell us about their experience at the summer camps we sponsored. They are: RYLA: Omar Medina (Arrupe Jesuit High School)  
YRYLA: Patience Adams (Drake Middle School)  
YRYLA: Sierra Booth (Excel Academy Charter School)

Thanks Linda for putting this project together, it is truly wonderful and the young adults participating in it are “Super Fantastic”!

**In two weeks, August 30, 2017: Diane Head** is Rotarian of the Day. She is trying to put together a program on something from Jeffco Protective Services, more information is pending.

### Upcoming Events

**Colorado Fall Home Show, September 8-10, 2017: Rich Kramer, Jim Gracey and Dennis Hein** are working with the Garden Show Foundation preparing for this event. Time commitment is substantially less than the Spring Garden and Home show but we still need to provide 4-5 people for Friday, Saturday and Sunday. We do all ticket sales using the computer system which becomes standard operating procedure for both shows going forward. This is a great time to train at a less busy event than the spring show. **We are still looking for people to work Friday anytime and Saturday Morning.**

From **Don Storey: Duane Youse** told Don the funeral for **Betty Youse** will be on Aug. 30 at the Arvada Presbyterian Church at 11:00 am. Duane is a long time Kiwanian and has run the Santa House for years.

#### August Birthdays:

**Della Blay, August?**

**Susan Weller August?**

If your name isn't here and you were born in August please let Dennis Hein know so you can be recognized.

**PRESIDENT MATT WELLER'S CORNER:** **President Matt** sent this Sunday. "Currently in Salt Lake City on a layover. Monday I will be working during the eclipse - I will be flying from Orange County (Los Angeles) to Salt Lake City. Should be an interesting sight!

I work for an airline. I travel a lot. I have been to Los Angeles (7x), San Jose (2x), Las Vegas, Seattle (2x), Denver (2x), San Francisco (3x), Salt Lake City, and Orange County just in the last week. And that is simply work – that does not count nor consider the flights commuting to and from Denver and Los Angeles (my current base).

It is unfortunate and disappointing when I cannot attend our meetings. And I apologize. I thought more of our group was aware of my situation. I would appreciate your understanding and support. This week is no different. While I don't have an assignment yet, I am available for an assignment through Wednesday. I hope to attend, but I'm not sure if I will be able to make it to our meeting or not. If I can, I will be there.

I would like to thank **Sherry, April, and Susan** for all their work organizing the peach sales. I would also like to thank everyone who lent a hand one way or another and/or was available during delivery day. It takes a lot of time, work, and resources to pull off such a successful event. Again, my praise and thanks to all of you.

I would also like to thank **Nancy and Renée** for their work on membership. It sounds like it was an interesting and lively meeting, although I haven't gotten all the details just yet. I hope their suggestions and the work of everyone bear fruit in terms of membership.

I hope everyone enjoys the eclipse. Such a large percentage eclipse in our region is an uncommon event."

**KRAMER'S CORNER:** Here is another bit of wisdom Rich Kramer has sent me:

**FLUFFERNUTTERS ??**

A New England elementary school staple.

Take two slices white bread; slather Marshmallow Fluff onto one slice; slather smooth peanut butter onto other slice; slap together; enjoy.

Add sliced bananas for "Elvis Style". National Fluffernutter Day (10/08). Celebrate Fluff pride at Fluff Fest, Somerville, MA (origin of Fluff).
