Meeting Bulletin – May 18, 2018

This Week, May 18 Bryan Head is Rotarian of the Day. Bryan will have Mike Graves as his guest to present a program on “New Horizons House”. This is an organization which helps young women rescued from the sex trade in India. Also, Bryan will update us on how he has driven 7,000 miles in the past two months. It seems like he may have a reason for missing a few meetings.

Last Week, Last Week, May 9, April Fratzke was Rotarian of the Day. April is our President for the year beginning July 1, 2018 through June 30, 2019. She hosted her first Club Assembly. April came to the meeting well prepared for her upcoming year. She had a very professional power point presentation that outlined the goals she hopes to accomplish in the next year and told us those who have volunteered to help with them. The presentation is here if you need a refresher.

Two Weeks ago, May 2, Rick Worley was Rotarian of the Day. His program was presented by Susie Knight and her husband Duane with Flat Irons Community Church. They told us about Musana Orphanage in Uganda where they have a mission. It is a very interesting project and may be waiting for a Rotary Club here to join a yet to formed Rotary Club there.

Next Week, May 25, Sherry McGee will be Rotarian of the day. She may have information on her program this evening. Memorial Day holiday weekend is making it difficult to find a program, let Sherry know if you have any ideas.

PRESIDENT MATT'S CORNER:

Hello all! I am just back from the Grand Canyon and had an incredible trip and experience with one of my brothers and four of his adult children. It was awesome! I'll have to tell you all about it sometime!

I believe April had an awesome Club Assembly last week and wish I could've been there to participate in it with those in attendance. I was impressed with her PowerPoint presentation (loved those graphics!) as well as the TED Talk she showed during the meeting. I am quite confident we are in great hands for the coming year! Thank you April!

Registration for the District Celebration is close, but **I truly believe our members and Club would benefit from attending the District Celebration coming up this weekend (May 19-20th)** - I hope we have a few attendees from our Club. As April probably pointed out, we need to try new things and new ways to improve our Club as well as membership. This gathering of Rotarians, instructors and ideas would surely result in positive gain for Arvada Rotary. Some of the details of this event will be listed below.

Finally, the NAMI Walks Colorado event is also May 19th at the Centennial Center Park from approximately

9:00am to 12:00 noon. Registration begins at 9:00am, and the 5k starts at 10:00am. If you have questions you can visit the website at <http://www.NAMIWalks.org> or contact them at Info@namicolorado.org for more information. It looks like they are at 66% of their goal of raising \$150,000 and **it would be a great show of support to Leona Paul to sign up and participate in this fundraiser for NAMI (National Alliance on Mental Illness).**

Details of the 2018 District 5450 Celebration (Conference) at the Hyatt Denver Tech Center can be found at rotary5450.org and some of the high profile events are:

-- Saturday highlights include DU Ex-Chancellor Dan Ritchie discussing "Bringing Consensus to a Country that's Divided". Also, a panel discussion of "Colorado's Development Boom: The good, the bad and the ugly."

-- Sunday highlights include Lt. General Jay Silveria, Superintendent, US Air Force Academy as the breakfast speaker, and "Rotary for the Young at Heart. How can Rotary remain relevant for the coming generations?"

Cheers! See you on Wednesday! Matt
