Meeting Bulletin – September 6, 2017

This week, September 6, 2017: Jim Gracey is Rotarian of the Day.

Last week, August 30, 2017: Diane Head was Rotarian of the Day. Her program was presented by Bettina Morrow from Adult Protective Services (APS) in Jefferson County. She told us about how APS came about, its purpose and what to do if there is concern regarding the care or well-being of an aging loved one.

In two weeks, September 13, 2017: Monk Tarbell is Rotarian of the Day.

Upcoming Events

Colorado Fall Home Show, September 8-10, 2017: Rich Kramer, Jim Gracey and Dennis Hein are working with the Garden Show Foundation preparing for this event. Time commitment is substantially less than the Spring Garden and Home show but we still need to provide 4-5 people for Friday, Saturday and Sunday. We do all ticket sales using the computer system which becomes standard operating procedure for both shows going forward. This is a great time to train at a less busy event than the spring show. **We are still looking for a person to work Friday Morning.**

Linda Nedved is working the Guatemala Literacy project again this year. You will find some information attached to this bulletin.

September Birthdays:

September 3 – Bill Gaume

September 5 – Bryan Head

September 19 – Bill Edwards

September 21 – Al Kilpatrick (passed)

If your name isn't here and you were born in September please let Dennis Hein know so you can be recognized. The payment may be tax deductible, consult your tax advisor.

PRESIDENT MATT WELLER'S CORNER: From President Matt >> "As I told everyone at last week's meeting, I would like to thank Dennis Hein for his wonderful work on our weekly Bulletin. It is an insightful glimpse at what is coming, as well as a recap on what has been going on. I believe it adds a lot to our Club."

"If you plan on bringing a friend or prospective new member to a meeting, please let Dennis know so he can include it in the Bulletin. Then, I ask everyone to make an extra special effort to introduce yourself and greet the guest by name. I think this would make a strong and positive impression on any guests."

"Finally, I have moved the Club Assembly up one week to September 20th, as I may not be available on the 27th. Please bring all your ideas and support to help us move forward!"

"I am thinking I will probably be able to make this week's meeting, so I look forward to seeing you all again on Wednesday.
>> Thanks, Matt"

KRAMER'S CORNER: Here is another bit of wisdom Rich Kramer has sent me:

SO YOU THINK YOU KNOW EVERYTHING - DID YOU KNOW?

A dime has 118 ridges around the edge.

A cat has 32 muscles in each ear.

A crocodile cannot stick out its tongue.

A dragonfly has a life span of 24 hours.

A goldfish has a memory span of three seconds.

A network of Rotarians and CoEd that improves education for underserved students in Guatemala

Dear Linda,

As you know, the GLP Global Grant for the 2016-2017 Rotary year was recently approved by The Rotary Foundation for the amount of \$435,583. This incredible gift will change the lives of over 6,000 students and teachers through the GLP's four proven programs. Check out this year's latest measurable results:

That's incredible! But we can't stop there. There are thousands more deserving students who do not yet have the educational opportunities they need to work their way out of poverty—and this is your chance to help.

Will you ask your club to join the 2017-2018 GLP Global Grant?

Your club's donation will be included on Global Grant #1752923, hosted by the Rotary Clubs of La Reforma, Guatemala (D-4250) and Calgary, Alberta (D-5360), and—thanks to district and Foundation matching—**your donation may multiply up to 3.5 times!**

We need all pledges promised by **December 1** at the absolute latest.

Please visit our website to [join the Global Grant now](#) or [get resources](#) to share the GLP with your club. Also, please don't hesitate to respond to this email to let us know about your progress or request additional help or information.

Thank you again for your commitment to the GLP. Together, we can provide Guatemalan children the education they need to realize a future beyond poverty.

Sincerely,

Barb Young,
