

UNIVERSITY HILLS ROTARY CLUB DISCRETIONARY GRANT APPLICATION

University Hills Rotary is a Denver area club whose members are committed to serving our local community. Toward that end, we volunteer time and contribute funds to local service enterprises for projects that we believe can make a difference and are sustainable.

If you think your special project or activity might be of mutual interest, and if it serves the needs of an underserved population (i.e., does the agency work to serve others toward a rich, full & meaningful life), please consider applying for a grant from our club. Applicable guidelines include, but are not limited to, the following:

1. The South Denver Metro Area is given preference although grants for organizations that serve the greater Denver Metro Area will be considered
2. Funds should be used for specifically designated activities and must be measureable. We do not fund General Operating budgets.
3. Grants are generally in the range this year up to \$1,500, but the Community Service Committee will look at the budget submitted and may approve a larger amount when considering the amount of the grant.
4. Our focus is on smaller local community agencies.

The deadline for submitting an application for a monetary grant is December 1, 2017.

Decisions will be made shortly after the first of the year for grant requests.

Submit applications to the Chair of the Community Service Committee at either of the following addresses:
