NEXT MEETING - GUEST SPEAKER

Posted by Bruce HERON

Jessica Trijsburg, Peace Scholar District 9800

Rotary Peace Scholarship and Beyond

At Rotary Central Melbourne we are working in partnership with Australian Red Cross to design an ongoing approach to support Peace Scholarship applicants from their organisation.

To help our members better understand the value of the program, we are fortunate to be joined by Jessica as one of our previous Peace Scholars to speak about the scholarship.

Jessica was selected to be a Rotary District 9800 World Peace Fellow at the University of North Carolina between 2011 and 2013. Her area of expertise is multicultural interfaith dialogue and peace building, particularly between Muslim and Christian communities.

Jessica now works at Melton City Council as a Community Capacity Coordinator. She manages a team in the areas of community engagement, development, funding, leadership, and volunteering, as well as indigenous affairs and intercultural development.

Experienced in Community Capacity Development with a demonstrated history of working in the government and education sectors, Jessica is skilled in Intercultural Leadership, Community Engagement, Conflict Resolution, Research and Policy Analysis.

Jessica more recently organised the 2019 Intercultural Cities Australasia Symposium, an event exploring the opportunities and challenges of our time in the areas of interculturalism and diversity.

27th Rotary Foundation Paul Harris Breakfast

27th Rotary Foundation Paul Harris Breakfast

GUEST SPEAKER

Dr Andrew Browning

Maternal health care in Africa- an Australian intervention

Dr Andrew Browning spent 17 years living with his family in Ethiopia and Tanzania amongst some of the poorest people in the world.

He specialises in treating a devastating birth injury called obstetric fistula. This results from women giving birth at home, without medical help. In labour for four or five days they deliver a stillborn child and the tissues in their pelvis are destroyed, leaving them with large holes (fistula) to their bladder and bowel. Leaking continually they are shunned, depressed and suicidal.

Andrew is one of only a handful of surgeons in the world who have dedicated their lives to helping treat and prevent this. His charity has now built three maternity hospitals in Africa and aims to build many more.

All funds raised will be used to support Rotary Foundation projects that make lives better in your community and around the world

- The Rotary Foundation of Rotary International has received 12 consecutive 4-star ratings, the top rating, from Charity Navigator as at January 2019.
- Charity Navigator also rates The Rotary Foundation as Number One in their list of the 10 of the Best Charities Everyone's Heard Of.
- It also received an A+ from Charity Watch its highest rating in 2017 (the most recent rating).
- The Association of American Fundraising Professionals named The Rotary Foundation as the outstanding Foundation for 2016.

We look forward to welcoming all Rotarians, partners, friends and colleagues to this special event
