President's Announcements

Please refer to The President's August Board Report below.

Guest Speaker - District Governor Iven Mackay

The Rotary Club of Melbourne Central Sunrise was recognised as an active club with many projects running. The Club members are active at both a District and Club level.

There is a basic message being sent this year to all clubs, which deals with local rather than international issues, these include:

- Focus on membership as what Rotary does is special and unique
- Support each other at club and district level
- Clubs are asked to be bigger, bolder and better than ever, to increase membership overall and female membership.
- Support Building Communities and Bridging Continents.
- The District is changing the way it is doing things and the tenure of leaders
- Remember and celebrate Rotary past and help prepare the club for the future.

The District Conference is 31st March 2011 in Adelaide, with a theme of "Bound for fun - Bound for South Australia". DG Iven Mackay is looking forward to having Rotarians support the conference and enjoy the fellowship of Rotary.

A Membership Recognition Award was presented to Kevin Love for the significant achievement in increasing membership numbers last year. Kevin acknowledged the significant work of John Meehan and Neville John in this achievement.

The President's August Board Report

by KING, Anne

Highlights from the August Meeting

Club Rules and Constitution

District committee is currently meeting with solicitors and agreeing the changes. We are hopeful of having changes finalised for presentation to Board by October and club at AGM in November

AGM

The Annual General Meeting will be held on 23rd November 2010

Chill Out Zone

We are still waiting on an outcome of the submission for funds. Members of the steering committee are visiting other clubs to garner support.

Membership

Attendance for July was at 65%. The club had 59 members at end of month.

Paul Harris Breakfast

The PH breakfast in March 2011 will be attended by Victorian Governor Professor David de Kretser, A.C. The search for a guest speaker continues.

GSE Incoming team from Texas

Team expected mid March 2011 for one month. This will Clash with District conference and our members travelling to Osaka sister club anniversary. The club has regrettably agreed that we would not seek to host this team.

Marketing and Fund Raising

Current draft budget shows funding shortfall \$20,000. Our target for fundraising is to be \$25,000. Several fundraising ideas are being explored and emphasis on identifying a major event. Formalising club calendar dates will assist planning of fundraising activities. The board has initially agreed to commence a quarterly Trivia night from October, although it is likely to be only 3 during the year.

Community Service

Committee is looking to establish a Probus Club for central Melbourne. There is no Probus club operating in this area. It would involve no ongoing obligation for our club as the new club would be self governing and financing. Tony Thomas is organising a letterbox drop and an initial meeting in Docklands in November.

International Committee

The club has provided for two family survival packs at cost of AUD800 in relation to the Pakistan Floods, each to be delivered through Disaster Aid Australia (DAA). Using DAA this time is considered a trial of the new organisation. Neither Shelterbox nor Disaster Aid Australia organisation is endorsed by the Board at this stage and we are waiting for district to give us guidance.

New Generations

Committee is looking to leverage the skills of past and present Police mentorees with a view to assisting disadvantaged youth. Fund raising events are also being investigated

Vocational Service

'Students for Free Enterprise' and 'Skills Bank' projects are progressing. Committee is looking to contribute via their skill and energy resources.

Committee's plans and objectives have been approved, these have been posted on the website.

Winter Warming Appeal

by JONES, David

The rough winds and cold dreary rain of winter leaves no kindness to those who cannot reach shelter. Those who have little possession of clothing and shelter feel it the most. Help those who need that extra to keep the cold away. The Rotaract Club of Tullamarine is holding a winter warming appeal to help those in need by donating jackets, jumpers and blankets to the Salvation Army. They also want YOU to help. All donations would be greatly appreciated and will be collected from clubs by the end of September.

Please contact Caterina Scriva at caterina.scriva@hotmail.com for details.

Michael's Professional Debut as Beppe - This Saturday!

by LAPINA, Michael

This Saturday night (4th September), I make my professional debut as **Beppe** (and understudying **Canio**) in the Melbourne Opera Company's production of Leoncavallo's **I Pagliacci**.

As the Melbourne Opera Company (MOC) have been a regular supporter of our Rotary Club (providing free tickets as prizes in our PHF Breakfast Raffle and recent Wine Auction), they've extended an offer to all of our members and Friends of Rotary.

Melbourne Opera Company are offering greatly discounted tickets (\$45 - normally \$98). This offer can only be accessed by ringing The Athenaeum ticket box office on 9650 1500. You must mention that it is a **Company Rush Price**.

You can get more information about the Melbourne Opera Company and the season of Cavalleria Rusticana & I Pagliacci at the following website:
