Osaka Hommachi celebrations

Paul Maguire reported on the recent delegation of himself and Harumi, John and Lorraine Meehan, Frank & Pauline O'Brien, Herb and Leonie Greenwood and Kevin and Veronica Love in conjunction with the 20th Anniversary of the Osaka Hommachi Club. Despite being overshadowed and curtailed as a result of the tragic earthquake and tsunami north of Tokyo, the dinner at the Rihga Royal Hotel which was catered by a renowned Royal Chef had been a great night. Our club presented a polished wooden box made from Victorian timbers around Warrandyte to mark the anniversary. Paul's talk was illustrated by a series of slides of the night depicting magnificent scenery, people and temple shots marking the subsequent tour; from one slide it is obvious that although the trend started in Japan, Melbourne can apparently cram more commuters into a train.

At the conclusion of his presentation Paul presented Anne with the formally signed agreement from Osaka Hommachi to contribute \$US5,000 to our Philippines project.

Philippines Project

Paul Maguire provided an outline on current progress in the Philippines, which had been frustratingly slow, it now appears likely to focus on educational scholarships to enable students to study therapeutic massage and establish small businesses in that field and in turn provide hands-on help to students.
