PEOPLE OF ACTION

Our club offers opportunities for members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, members learn about the issues facing our community and communities around the world, partnering with local, national, and global experts to exchange ideas about potential solutions and draw up action plans to respond. Along with these opportunities to serve, members to regularly network with others, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

How we're making a difference:

- **Rotary Winter Wonderland**
Raises nearly \$40,000 and brings in tens of thousands of food items for local food pantries and shelters each year.
- **Youth Activities**
We're constantly working to provide opportunities to grow and develop our youth. Ask us how you can get involved.
- **Ending polio** — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.

...and so much more!

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer. Our members have found that it's a truly rewarding experience.

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.”

- Margaret Mead, Anthropologist.

I know that the difference we make as Rotarians goes much farther than Marshfield. The ripple effect of Rotary can be seen in the people and places of our small community as well as all over the world!

Member since 1999

I joined Rotary to create business connections and network. That certainly has happened, but on top of that, I've been able to make an impact on my community and the world through the many great programs and activities of our club and Rotary International.
