

FUNDING GUIDELINES

Marshfield Rotary is proud to contribute grants and funds to events, projects and causes in Marshfield and surrounding communities. Every request is reviewed on an individual basis and given consideration based upon the following guidelines and criteria.

Deadlines

The Board will review and approve requests on a quarterly basis. While grants are accepted throughout the year, submissions for events in the coming Rotary year (July 1-June 30) are encouraged in the spring when budgets are being prepared. Submission deadlines are:

Jun 30 – August review **Jan 31 – March review**
Sep 30 – November review **Apr 30 – June review**

Preference

Requests that can demonstrate conformation to the Rotary Four-Way Test (see footer), support the Rotary mission statement (see box), or fall within one of Rotary International's 7 Focus Areas will be given preference.

Requirements

- Funds must be utilized within twelve (12) months of the approval date.
- Images from the event, project, or activity receiving support must be provided to Marshfield Rotary.
- Written Grant Report and Financial Report must be provided to the Marshfield Contact within 90 days of completion of the project. An explanation of any unallocated funds in excess of \$50 and a proposal for how and a date by which they would be utilized must be provided. The Board will review the explanation and determine if funds should be returned to the Marshfield Rotary Club.
- Failure to comply with any guidelines listed will result in an organization/project no longer being eligible for any funding from Marshfield Rotary Club until the Board feels it is appropriate to reconsider.
- Although not required, presentation about the organization or event at a Marshfield Rotary Club meeting is strongly encouraged.

Marshfield Rotary Club will NOT fund the following:

1. Religious or political objectives
2. Organizations/requests that have a major funding source
3. Fundraisers designed to raise dollars to grant out to another institution
4. Funding sources (own granting organizations)
5. Individuals
6. Non-direct service expenses (no administrative or overhead expenses)
7. Organizations, groups or events that cannot demonstrate a true need met
