

## Northampton Rotary Club's Annual Golf Tournament

Please join us and celebrate our 26<sup>th</sup> Annual Northampton Rotary Golf Tournament. **This year's tournament is Monday, August 29, 2022** at the **Northampton Country Club, 9 Hole Scramble Format**. This is one of our largest annual fundraisers and with your support we could make this the best year ever!

The Northampton Rotary donates the majority of its fundraising efforts back to the local community and local charities. Our rotary members give their time as volunteers, to make this such a great success year after year.

I have included a sponsorship form and I look forward to hearing back and truly appreciate your consideration to support the Northampton Rotary Club's Golf Tournament and our efforts to give back.

**You can donate and/or register online to put a team in or use the form included to select your sponsorship level and add a foursome with your team players.**

**Online Registration:** <https://northampton-rotary-golf-tournament.perfectgolfevent.com/>

Thank you again for your support and I hope we can continue to count on your generous support again this year.

If mailing please send check to:
