

Bryan Sunter Memorial Golf Tournament

Dear Friends,

Our son Bryan, loved to run from an early age. He loved to run around the horse paddocks behind our house watching the horses run beside him and later ran in the Child's races on Tuesday nights at Van Horn Park. Never particularly good at sports, he seemed to find his way with running, especially in high school. Along with the joy Bryan got from running, being on the East Longmeadow Cross Country team gave him a sense of accomplishment and the camaraderie of other runners. We want to remember our son, by establishing a scholarship in memory of him, for one male and one female cross country runner from East Longmeadow High School and hope that you will help honor his memory by participating in the Bryan Sunter Memorial Golf Tournament!

Thank you,
The Sunter Family
