INTRODUCTIONS PLEASE!

Please try and take the time to introduce yourself to our speakers each week, especially if you are unable to stay for the presentation. It is asked that you kindly thank them for supporting our Rotary Club and to please excuse your inability to stay for the presentation.

ROTARY JOINS INTERNATIONAL WEEK OF SERVICE

Rotary is partnering with other service organizations to inspire volunteers around the world to participate in International Week of Service, March 25-31, 2017.

Each year, Rotary members around the world log 16 million volunteer hours on projects on an international scale and in their own back yards.

Information and resources for the event can be found at weekofservice.org.

Organizations participating in this event include: Lions Clubs International, Rotary International, Optimist International, Junior Chamber International, Kiwanis International, Moose International, Soroptimist, Y's Men International, Pilot International, and Sertoma Inc.

Rotary members around the world dedicate millions of hours to volunteer projects each year.

Do you have a service idea for our club to consider during the week of March 25 - 31? Let's plan together and see if we can join together to put Service Above Self! Here are some inspiration and ideas...

Rotarians helped renovate and reopen more than a dozen social service facilities damaged by Hurricane Katrina in Louisiana, USA, in 2005.

Four Rotarians, including Jason Browne, traveled across the United States in 2015 on the Rollin' With Rotary tour performing random acts of kindness.

Family members of Rotary club members help pack food at Feed My Starving Children in Schaumburg, Illinois, USA.

Volunteer efforts by Rotarians have played a huge part in the success of Raleigh, N.C., nonprofit 'Rise Against Hunger,' in packaging more than 300 million meals distributed in more than 40 countries for hungry kids and others worldwide.
