

Family Garden Project 2023

The Biddeford-Saco Rotary Club, Apex Youth Connection and Biddeford Community Gardens have partnered to award a select number of families the necessary materials (including lumber, soil, nutrients, and most importantly seeds and starts) for a 3' x 4' or 3' x 8' raised garden bed to be placed at their home. Our goal is to help families who may not have the financial means to purchase the supplies on their own to grow and prepare healthy food for less money.

Eligibility Requirements

1. Participants must live in Biddeford, Saco, Dayton, or Old Orchard Beach communities.
2. Have an area of approximately 10' x 10' with lots of sunlight to place the garden and access to an outside water source.
3. Have written permission from the landowner to place a 3' x 4' or 3' x 8' raised garden bed on the property (may be emailed).
4. A commitment to install the raised bed, soil, nutrients and seeds and 15-20 minutes a day to water, weed, harvest, and winterize your family garden.
5. Willingness to learn how to garden properly by watching videos, reading material or classes.

Applicant Information

Name: _____

Address: _____

Phone #: _____ Email: _____

of people in household: ____ Please check one: Rent your home ____ Own your home ____

What vegetables would you like to plant? (*circle as many as you like*): Celery, Cucumber, Lettuce, Onion (green), Peppers, Radish, Swiss Chard, Tomatoes, Zucchini, Broccoli, Spinach

Why do you want a garden? _____

Do you have previous gardening experience? Yes/No If so, how much: _____

What size garden bed would you prefer: ____ 3' x 4' or ____ 3' x 8'

What day and times are best to call you? _____
